CALLCENTER

O conceito da linha permite uma grande versatilidade na composição dos postos de trabalho, que se multiplicam à sua medida. A preocupação da passagem de fios confere a maior funcionalidade e organização das secretárias.

Le concept de la ligne permet une grande versatilité dans la composition des postes de travail qu'on peut se multiplier selon notre nécessité ou notre souhait. La préoccupation avec le passage des fils donne une plus grande fonctionnalité et permet une organisation des secrétaires.

The line concept allows a huge versatility in the arrangement of the working places that multiply to fit it. The care about the wire crossing allows a greater functionality as far as desks are concerned.
